

**Emerald Lake Village District**  
**Hillsboro, New Hampshire, 03244**  
**Official Meeting Minutes**

ADMINISTRATIVE MEETING ON; October 15, 2008  
Meeting came to order at 7:30pm.

**NEW BUSINESS**

BRIDGE- We will be using the FEMA money. We will use the account balance if we go over. The engineers were asked if Skip Edwards can do the prep work. They will get back to us on this. Weight limit signs will be posted. We can have a one lane bridge as there is only one axle on the bridge at a time. Jim Coffey suggested we elect a chairman for this project.

TAX RATE- Sandra Rourke from DRA said the tax rate will remain the same. The water rates went up so the tax rates wouldn't . We can offset the difference with the account balance.

ENGINEER PROPOSAL-Commissioner Bob Hutchinson motioned to accept the bridge engineer proposal from DuBois and King. Troy Cornock seconded.

LAKE- Bob Hutchinson explained he lowered the lake quite a bit so hopefully we won't flood this spring. It would also give Skip Edwards the opportunity to dredge it out.

Troy Cornock motioned to adjourn at 8:05pm. Bob Hutchinson seconded.

Respectfully submitted,  
Patricia Stefanelli  
District Clerk
